Any deviations from the General Terms and Conditions have to be accepted in writing by a person authorized on the SELLER's behalf. Neither the SELLER's acknowledgement of a purchase order nor the SELLER's failure to object to conflicting, contrary or additional terms and conditions in a purchase order shall be deemed an acceptance of such terms and conditions or waiver of the provisions hereof. All purchase orders are subject to credit approval. The terms of this Agreement shall control over any trade usage or prior course of dealing.

PRICES AND TAXES

All prices are net and ex works if applicable, except otherwise agreed in writing. The SELLER's invoices have to be settled in the same currency as stated on the invoice. However, the BUYER shall be permitted to sell such goods as part of its normal business operations. The BUYER hereby assigns to the SELLER its claims arising from the onward sale of such goods subject to reservation of title. If further measures are required to substantiate the reservation of title or the assignment of claims (e.g. registration or written individual assignment of claims), the BUYER hereby undertakes to implement the necessary measures on first request from the SELLER. The BUYER hereby grants its permission for any registration and entry in the Property Register if applicable.
